Taking The Work Out Of Workers' Compensation

February 26, 2009

Dear Special Trades Trust Member:

New York Compensation Managers, Inc. and The Special Trades Contracting and Construction Trust would like to congratulate you on completing calendar year 2008 without any reported lost time claims in the workplace. Your dedication to safety is appreciated and enhances the overall integrity of The Trust.

If you haven't already, please take some time and visit the Member Safety Resources website at www.workerscomp.com and log-in as a member. Once signed into the Member Access site, select the Safety & Loss Prevention tab.

This exclusive member benefit is updated regularly with Safety Planning Tools, OSHA Safety Guidelines, Tool Box Talks, Videos, Safety News Forum, Prospera (HR Online), SHAPE (Return to Work) and unlimited access to JJ Keller's interactive Safety Online – developed with the goal of assisting you in maintaining a safer, more productive workplace.

Feel free to prominently display the enclosed certificate to demonstrate to employees and customers your company support of a safe workplace. Keep up the good work for 2009.

Sincerely,

Mark G. Balduzzi

New York Compensation Managers, Inc.
Safety and Loss Prevention Specialist
